

General Conditions use of the Atrium Den Haag, Atrium City Hall, Spui 70, The Hague, The Netherlands

Agreement, offer and invoice

You must inform Atrium City Hall prior to the agreement about the content of the exhibition and/or event (as of now described as 'activity') as well as the involved person(s) and organization(s). Atrium City Hall will then judge the activity, based on:

- Terms of content, quality, planning and physical possibilities and if the activity fits within the programming of Atrium Den Haag;
- If the activity contributes to the wide, diverse and fascinating programming of the Atrium The Hague.
- The Municipality of The Hague can cancel the activity if it is political, activist or has a strong religious character, and can therefore be rejected and
- If the activity fits within the policy of Atrium City Hall and the City Council of The Hague.

Always mention on the application form on atriumcityhall.nl/en/application-form the details of the organization and the persons and organizations which are involved, the reason for the activity and always upload all images. Exhibitions must always be exhibited in Dutch and English. Based on this information, it is determined whether the activity is suitable for the Atrium. Atrium City Hall makes a distinction between public, private, cultural and non-cultural activities. You will receive a response to your request within 14 days.

After consulting with the employees of Atrium City Hall about the activity, you will receive an offer which is the agreement. Only after we have received this signed offer, the option for the activity is placed in the planner. The organization mentioned on the offer must always be registered at the Dutch Chamber of Commerce. After receiving the signed offer within 30 days, or before the date which is mentioned in the offer, the option will be booked into a reservation. If the reservation is canceled within two (2) months prior to the starting date, 50% of the rental costs will be charged. If the reservation is canceled within one (1) month prior to the starting date, 100% of the rental costs will be charged. Prior to your activity you will receive an invoice for the use of the Atrium of the City Hall of The Hague, which must be paid before the start of the activity. Atrium City Hall will decide after your activity has taken place, if an extra invoice is required for any additional (rental) costs.

Period of the exhibition

Exhibitions can only be set up in the Atrium for a maximum period of four weeks, including building up and breaking down. For setting up an exhibition, Atrium City Hall will take into account the planning and options of the Atrium and seek the required space and size of the exhibition. The Atrium is divided into 3 parts for exhibitions, the A-part (frontside 250M2) - B-part (middle 500M2) & C-part (backside 200M2). There is no difference in rental costs per part. In consultation with Atrium City Hall, the various options will be discussed with you and we will determine which period and part best suit your exhibition, so that you can get the most out of your exhibition.
