Atrium City Hall. Gives Space to Colorful Ideas

The Atrium is the meeting place in the City Hall for citizens of The Hague and visitors/tourists to The Hague. An average of 50 cultural, educational and social exhibitions and events are organized every year, as well as commercial activities. The Atrium City Hall Foundation has been producing these various activities in the Atrium since the opening of the City Hall in 1995 on the instructions of the Municipality The Hague. The foundation does this on her own initiative, but external parties can also rent the space for any activity. Atrium City Hall thus provides a broad picture of what is happening in The Hague and far beyond.

Exhibitions

Heavy subjects, challenging constructions and innovative concepts are not avoided when organizing exhibitions in the Atrium. The space is visited by more than 4.000 people a day. Whether they come for the municipal offices or specially for an exhibition, the enrichment of the Hague City Hall is actively experienced by many visitors. One of the three parts of the Atrium City Hall can be rented for an exhibition starting from 1.250 euros in 2025. An opening reception can be organized starting from 800 euros in 2025.

Events

A seated dinner for 600 people, a reception for 1.500 people or a lecture in a theater setting for 1.100 people or a grand banquet after closing time; the Atrium is open for diverse and challenging events.
